- Database: MongoDB
- Tools: Git, GitHub, VS Code
- Soft Skills: Teamwork, Problem Solving
- Languages: English, Kannada, Tulu

CERTIFICATION

- Web Development Certification
- JavaScript Certification
- Python Certification

PROFILE

Computer Science Engineering student (3rd Year) passionate about Software Development and modern technologies. Skilled in React.js, Node.js, MongoDB, and responsive UI design, with hands-on experience developing AI chatbot and e-commerce projects through internship and academic work.

INTERNSHIP

Web Development Intern – Elevate Labs

• Developed responsive web interfaces using HTML, CSS, and JavaScript.

• Assisted in building dynamic components using modern frontend frameworks.

• Worked with backend APIs and improved application performance.

• Collaborated with a team to deliver assigned modules on time

• Gained practical exposure to full-stack development workflows.

PROJECTS

• **Online AI Chatbot:** Developed a full-stack AI chatbot using React, Node.js, Express, and MongoDB for real-time interaction. Integrated OpenAI API for intelligent responses, designed responsive UI with Tailwind CSS, and implemented RESTful APIs for secure message handling and chat history storage.

• **E-Commerce Web Application (Frontend Development):** Developed the frontend of an e-commerce web application using React and Tailwind CSS. Implemented features such as product listing, search and filtering, shopping cart UI, and responsive design. Built reusable components and managed state using React Hooks.
